

GC0303D/GC0313D series

INTEGRATED DIRECT-DRIVE TOP AND BOTTOM FEED
LOCKSTITCH SEWING MACHINE

GC0303D

- 750W motor direct drive, strong penetrating force, low power consumption
- Gear pump for lubrication
- Link rod feeding and feeding stable
- GC0313D has long arm operation space 330mm*120mm, easy to put and take the cloth
- Integrated control and large screen and easy operation
- Equipped with LED lighting to decrease operator's visual fatigue

Function may be different according to models

GC0303D	Integrated direct drive top and bottom feed lockstitch
GC0303	Top and bottom feed lockstitch(clutch motor)
GC0303DCX	Integrated direct drive top and bottom feed lockstitch(thick thread)
GC0303CX	Top and bottom feed lockstitch(clutch motor, thick thread)
GC0313D	Integrated direct drive top and bottom feed lockstitch(long arm)
GC0313DCX	Integrated direct drive top and bottom feed lockstitch(long arm, thick thread)
GC0313DBX	Integrated direct drive top and bottom feed lockstitch(long arm, thick thread and 3 times hook)
